A. OBTAINING PERMISSION BY LETTER REQUEST

1. When multiple photocopying of copyrighted material is not within the Guidelines and The University of Texas System Office of General Counsel has not given written authorization otherwise, staff or faculty members should request permission. Communication of complete and accurate information to the copyright owner will facilitate the request. Although alternatives may be acceptable, the Association of American Publishers suggests that the following information be included to expedite the process:

   a. Title, author and/or editor, and edition of materials to be duplicated;

   b. Exact material to be used, giving amount, page numbers, chapters, and if possible, a photocopy of the material;

   c. Number of copies to made;

   d. Use to made of duplicated material;

   e. Form of distribution (classroom, newsletter, etc.);

   f. Whether the material is to be sold;

   g. Type of reprint (ditto, photocopy, offset, typeset).

2. The request should be sent, together with a self-addressed return envelope, to the permissions department of the publisher in question. If the address of the publisher does not appear at the front of the material, it may be obtained from The Literary Marketplace (for books) or Ulrich's International Periodicals (for journals), both published by the R.R. Bowker Company. For purposes of proof and to define the scope of the permission, it is important that the permission be in writing.

3. The process of considering permission request requires time for the publisher to check the status and ownership of rights and related matters and to evaluate the request. It is advisable, therefore, to allow sufficient lead time. In some instances the publisher may assess a fee for permission, which may either be passed on to students who receive copies of the photocopied material or be paid by the requesting component as an ordinary expense.
